Graduates are supported through the program by members of the Education Team. A Clinical Nurse Educator works closely with graduates during all rotations to ensure a smooth and successful transition into professional practice.

Rotation areas for Graduates may include: **Acute** (medical/surgical), **Theatre**, **Day Oncology**, **Community Nursing** and **Residential Aged Care**. There are also opportunities including **MeERGE program** (in collaboration with Western Health), Budja Budja Aboriginal Cooperative, COOP and post graduate study support.

The program also offers:

- Continued support from educators and experienced preceptors in each rotation area
- Supernumerary time in each clinical rotation
- Fortnightly graduate support sessions and/or education sessions
- Achievement of clinical competencies (e.g. IV cannulation)
- Study days and networking opportunities with other graduates within the region.

“Doing my graduate year at Stawell Regional Health has been an awesome experience. The team in theatre and Simpson Wing are so supportive and welcoming, along with everyone in the organisation”.
