

Volunteering @

I would like more information the following role/s on:

- ☐ **Oncology**
Assist with patients and their families to help alleviate anxiety and stress and offer refreshments as required.
- ☐ **Volunteer Driver**
Using a Fleet car, volunteers may drive Ararat and Stawell TCP clients to and from activities held at the Stawell hospital; drive clients to Ballarat (or other areas) for appointments or drive patients home after being discharged from hospital in Stawell.
- ☐ **Activities Assistant – Macpherson Smith Residential Care**
You will assist residents in the McPherson Smith Aged Care facility to participate in the various activities and programs being held in and around the facility.
- ☐ **Day Centre Support**
Encourage clients to participate in activities as they occur; help team members with food service.
- ☐ **Meal Support**
Assist clients in the Transitional Care Program & Macpherson Smith Residential Care that experience difficulty with managing their meals at tea time. Social interaction is important in a patient's recovery and you will be providing them with an opportunity to chat with someone different in their day.
- ☐ **Patient Support**
Share things of interest with long-term patients on the Simpson Ward e.g. games, puzzles, craft, music, reading etc; visit with residents 1:1; socialise and support residents/patients.
- | | |
|--------------------------|---|
| <input type="checkbox"/> | Administration Volunteer |
| | Take and type notes; collect and enter data from pre-filled forms and surveys; scan and copy documents; distribute mail; make up information packs; assist with projects
Time commitment: as required and negotiated |
- ☐ **Volunteer your way**
Do you have a special skill that could benefit any of the campuses, e.g. photography, writing/interviewing; research etc. let me know and we'll pair you up with a task.

Please contact me about the role/s I have selected above:

Name: _____

Mobile: _____

Email: _____
